How We Can Work With Your Teams

1. **Plant and Mine Safety Plays**
   Working at height, confined space, lockout-tagout, mobile equipment and vehicle movement, fire safety, housekeeping and PPE discipline.

2. **Contractor and Driver Awareness**
   Safe loading and unloading, road safety, and site rules for contract workers and transporters.

3. **Behavioural Safety**
   Stop-work authority, near-miss reporting, speaking up, and responsibility towards co-workers.

4. **Campaign Support**
   National Safety Week, Road Safety Month and other internal safety drives.

5. **Wider Awareness**
   Health and wellbeing, environment and CSR themes.

6. **Customised Scripts**
   Plays built around your own incident learnings, SOPs and local language, so that every performance feels like it belongs to your site.

Play Format

- **Duration:** Each play is short, about 20 to 30 minutes.
- **Setup:** No stage or equipment needed.
- **Venue:** Can be performed in the plant, at the gate or in an open area.
- **Language:** Hindi or the local language.
- **Reach:** Multiple performances can be scheduled across shifts to cover maximum employees.

Let's plan your next safety campaign

We would be glad to share our quotation and understand your upcoming safety calendar so that we can suggest the most suitable plays. Could we schedule a short call at your convenience?
